

SWOP GOVENOR VISIT FORM

DATE OF VISIT: 23/03/2016

NAME OF GOVENOR: Noreen de Bie

FOCUS FOR VISIT: Year 6 Stations of the Cross

The children carried out the Stations of the Cross with great reverence and understanding in a very profound and beautiful display of their own respect towards this story and for their relationship and maturity with the school.

Thoroughly thought provoking and evocative in nature.

Thank you to all those involved

WHAT WILL YOU BE REPORTING BACK AT GOVENOR'S MEETING:

The standard of performance expected from the children is very high indeed, not only the pure transcription of the stations of the cross but the enormous power of reverence shown by the children during this beautiful display.

Very beautiful and uplifting
