A 'Prayer Pilgrim' is someone who helps the school to pray and to learn about God. They help the school develop the 'Catholic Mission' of the school and guide everyone in our 'Catholic Social Teaching' journey. They also organise and run lots of charitable events.

These children try their best to be good role models and caring friends to everyone in our school community.

They help run our weekly prayer sessions including the Rosary, Stations of the Cross and other Liturgical prayer sessions.

To become a 'Prayer Pilgrim' the older children completed an application form, our younger children were selected by their class teacher in recognition of their leadership qualities.

Every term they meet with the Headteacher and Deputy Headteacher for a "Gospel tea" and suggest ways to help their friends to pray and to understand Jesus better.
