Such a wonderful community feel to this school; my daughter is very happy here.

Staff care and are always happy to help.

I like how all children have some form of achievement recognised through celebration assemblies.

A consistently excellent environment since my eldest started all those years ago and this has continued for my younger son who loves the school.

The atmosphere is always calm and we feel the school is inclusive and always treats children as individuals.

I have always been pleased with the standard of teaching and the broader ethos of the school in encouraging a sense of self-worth, personal ethics and community responsibility.

The sheer range of fantastic teaching staff, dedicated leadership team and various extra-curricular activities.

The school goes above and beyond my expectation as a parent and to know that my children are flourishing here is a great thing.

Excellent school where all five of my children have attended very happily.

My daughter loves coming to school, particularly the support of her teachers and TAs. The curriculum is made very enjoyable for the children and she loves taking part in special events within the school.

Overall this school is fantastic. My daughter loves coming to school every morning. She has progressed pleasantly well in her learning and this is all down to the wonderful staff.

The Christian ethos.

Parent/teachers' day, assemblies and end of term productions always leave a good impression on me not only based on my children's participation but based on the opportunity for insight into how the school is run. There is always a great atmosphere present.

You are an outstanding school that always goes above and beyond your roles. My daughter is truly lucky to be at such an amazing, caring, loving and supportive school.

The staff are incredible, Miss Dormedy is an amazing teacher and very supportive to my daughter. Mrs Ward is amazing and so supportive we are truly grateful for all their support.

**Is there anything that you think we could do to make school life better for your child?**

Perhaps consistency of homework frequency to enable us to support regularly at home.

Breakfast club and after school club

The website could be more effective and homework ought to be available online.

More toys out in the playground.

We are looking forward to the forest school!

An area where bikes and scooters can be locked away.

More opportunities to view my child's work.

Entrance to the school and pick up could be improved – perhaps with a gated view entry.

More clubs.

More physical activities where possible and ore clubs.

Gate at the bottom of the playground.

Scooter park.

Pick up and drop off on the playground as it is manic on the pavement.
