21	<p>If you want to explain any of your answers, please tell us here.</p> <p>Wonderful experience so far Amazing school which is led effectively and successfully. The children are happy, the teaching staff are fantastic and my child loves everything about school. Teaching staff are fabulous so caring and constantly pushing and encouraging My son loves attending, never has said he didn't want to go. I couldn't say a bad word about the school its everything I could wish for him and the environment to go with it. My child has made great progress throughout his school life, I feel I am communicated with well and think it's a great little school. Being Catholic, this school was always our 1st choice. I love the dedication and hard work of the teachers and staff put in with their classes and children individually alike. It feels like an extended part of our family. Amazing school, caring and supportive, wonderful staff. I am happy with the emphasis on wellness and wellbeing of the child and how important that is. Time for reflection and spiritual growth is embedded in their time here. Love the Christian ethos!</p>	
22	<p>Is there a particular aspect of the school in which you are pleased?</p> <p>I think the school is well led and that is shown in the progress that I have seen in my child. Leadership and management. Provision of extra tuition for kids. Good communication between school and parents. Excellent teachers and tuition. Christian ethics. Teachers are fantastic. The teaching staff. Children seem really happy. Pastoral Support. All aspects. I like everything about the school, specially as a catholic parent, I like the fact that they teach them about God and they practice saying their prayers.</p>

Very well behaved children. Great facilities with the field. Couldn't be happier.</p> <p>Thank you for the recent and ongoing support from teachers during a particularly difficult time.</p> <p>How they remember to help the poor. Truly.</p> <p>I love the golden rules and playing outside a lot.</p> <p>Breakfast club.</p> <p>We love the family orientated and caring approach throughout the school, the support and encouragement for our daughter to meet her potential and be the best she can be.</p> <p>Meeting my daughters medical needs.</p> <p>We are very pleased in general with the school. 23	<p>Is there anything that you think we could do to make school life better for your child?</p> <p>I think there are lots of events costing money. It is great to raise money but sometimes can become expensive. I know the children enjoy these opportunities and its great to raise awareness.</p> <p>Football club for younger years after school or other after school activities.</p> <p>Less ipad would be ideal with the homework.</p> <p>To wear PE kit into school on PE days.</p> <p>We would love to see more after school clubs starting back up, especially creative / drama and sports.</p> <p>More sport options either during the school day or after for all year groups.</p> <p>In terms of the way you communicate I think would be better to have a single option e.g. dojo or email now is website, dojo, email, parents group.</p> <p>I would love music to be taught early on and more opportunities to perform and build on confidence.</p> <p>Help with speech therapy.</p>	

	<p>Perhaps some more challenging homework to encourage the children more.</p> <p>Have later arrival times for breakfast club e.g. 8am and not just one time.</p> <p>Homework – I don't like Edshed! I would prefer a program that was used would allow the children to be able to return to questions he / she got wrong to be able to identify where they went wrong. Play times / lunchtimes to have more equipment. Also more fun days to make school more exciting.</p>
