20	<p>If you want to explain any of your answers, please tell us here.</p> <p>Friendly staff + environment My child is happy, secure and making loads of progress Excellent standards of behaviour, teaching, learning and activities When visiting school this was the only local school that matched our expectations and values. The school looks after the children really well, it is a tight small community which I believe helps for close relationships to be built I am very pleased with the school, the education they provide and more importantly my kids are happy and well looked after School has been fantastic with parental engagement</p>	
21	<p>Is there a particular aspect of the school in which you are pleased?</p> <p>Staff are amazing Catholic ethos, academic standards, behaviour The wonderful Catholic ethos and family feel. We always feel so welcome! Catholic Ethos I am always impressed by the school standards and behaviour of the children. Great Teachers Teaching the children respect, kindness, all is very well organised. The personal nature of the school is particularly strong with it feeling like a large family, with it feeling not like my daughter is a child at a school but a member of a community. This is exemplified in the regular celebration assemblies through to the individual greeting of each child as they arrive at the school gate every morning. Friendly, approachable teachers. Wonderful ethos, very welcoming and inclusive for all children. Very attentive and kind teaching staff. We are very pleased with all aspects of the school. All of it! Communication is excellent between pupil and school. I am particularly happy with the catholic orientation. As a catholic family, we are pleased to see that the boys follow that at school as well. Parent – teacher communication Guidance and support for parents Coffee mornings and prayer clubs are real assets Encouraging good behaviour. Rewards for achievement. A wonderful supportive school, with a family feel. Very proud to be part of the SWOP community. Parental engagement + extra curricular I am always impressed by the school standards and behaviour of the children</p>	

22	<p>Is there anything that you think we could do to make school life better for your child?</p> <p>As much extra curricular activity + visits as you can manage (I know its hard)</p> <p>More after school clubs would always be very much appreciated, as she loves these!</p> <p>Perhaps more after school clubs</p> <p>There is always room for improvement with communication but I understand resources are often limited. Thank you for everything you do.</p> <p>More paper based homework.</p> <p>I honestly can't think of any suggested improvements at this point, but will be in touch if anything constructive ever comes to mind.</p> <p>Some activities that put together children who normally wouldn't play together as we know friends circles are very tight and in break time children interact with a limited number of children.</p> <p>After school activities</p> <p>It would be great to have more notice for some events, so that we can ensure parents attend / arrange / make sure what is required for the event.</p> <p>From my child's perspective – more sport / football for KS1! Thank you!</p> <p>Can't think of anything that you could do any better.</p> <p>No!</p>
