

## Literacy

Our book this term is Halibut Jackson. This is a lovely opportunity for children to immerse themselves in a book and question how a character is feeling and the impact it has on their behaviours.

We will have so many opportunities to showcase our descriptive writing skills as we design outfits for Halibut Jackson.

The children will also be completing their SATs throughout this term. This will be completed in small groups.

## Computing

### Creating Media- Making Music

Children will be reflecting on how music makes them feel and making music using percussion instruments and digital tools.

## Maths

### Length

Measuring in cm and m and comparing measurements.

### Position and direction

We will be using the different language related to position and direction. We will record our own directions and see if our partners can follow them.

### Time

Reading the time and solving problems related to time.

## Science - Living Things and their Habitats

- Explore and compare the differences between things that are living, dead, and things that have never been alive.
- Identify that most living things live in habitats and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other.
- Identify and name a variety of plants and animals in their habitats, including micro-habitats

## RE- Eastertide

The children will be reflecting on how Jesus rose from the dead on the first Easter Sunday and that he appeared to the disciples.

We will be exploring what happened after the resurrection and about how when Jesus returned to Heaven that he sent the Holy Spirit.
