

Let's CHAT

*Children, Home and Teachers
Wild Weather!*

St John's Class have had a lovely first week back to school. On Monday we made the most of the windy weather and had aeroplane races outside! We followed step-by-step instructions to make paper aeroplanes, named them and then flew them in the wind! They were doing loop-the-loops, zooming into the trees and racing each other! We also made ribbon wind sticks to see which direction the wind was blowing in. We have been focussing on becoming more independent with our writing this week, using our 'Fred fingers' to stamp the sounds we can hear in words to help us write them. In maths we have been thinking about the composition of numbers 6, 7 and 8 and how we can show our understanding of these. In RE, we have started to think about Lent and have made some promises to keep during this time.

What is your Lenten promise?
