Lost and Found*

This week we have been exploring the book 'Lost and Found' by Oliver Jeffers (this is definitely a book St John's class would recommend!) We have been writing lists of items we would pack if we went on an adventure to the South Pole. We also debated about how the penguin felt. Was he upset and worried because he was lonely, his habitat was being destroyed by global warming or was he delighted to have found a friend in the boy? What do you think? In maths we have been working on our number bonds to 5 and exploring different ways we can show these. In RE, we acted out the story of the Wedding at Cana and discovered that Jesus performed a miracle!
