

## Literacy Key skills booster session 4

### More of

### Making sure sentences make sense

Practise what we did in the last session by having a go at the jumbled sentences activities below. If you need to, before you do, go back and watch the last booster session (Session 3) to remind yourself what we learnt about making sure that sentences make sense.

You need to put the words in the right order and make sure you remember your capital letters and full stops.

They do get more difficult so do not worry if you find some of them challenging.
