

Things to practise at home

1. Practise writing your name everyday.
2. Practise recognising numbers 0-20
(start by recognising numbers 1-5, when confident move on to 1-10, 1-15 and the 1-20, You could make your own number cards and draw the correct number of dots on the back)
3. Match quantities to numbers (you count any objects you have at home, toys/ pasta/ pencils...)
4. Practise dressing independently
(including fastening buttons)
5. Eating using a knife and fork
including cutting up own food.
6. Listen to stories at home!
