

ICT

Computing systems and programming.

We will be learning all about how we use programming to enable us to make animations, open documents and use the basic features on a computer.

RE:

Mary, Mother of God

We are learning about how God chose Mary to be the mother of his son. We will be looking in detail at the Annunciation and the Incarnation. We will also be studying advent and how we use this time to prepare to celebrate Jesus.

Science:

Rocks – This term we will be studying rocks. We will be looking at what types of rocks there are, where they come from and we will be conducting experiments to see what they can be used for.

Literacy:

We are reading a historical fiction book this term where we will be writing diaries, newspaper reports, information leaflets and narratives. We will be linking this to non-fiction texts and it will relate and link in with our stone age topic.

Year 3 Topic web *Term 2*

Maths:

- Adding and subtracting 3-digit numbers
- Multiplying by a one-digit number
- Dividing by a one-digit number
- Estimating
- Reasoning problems

How to help at home:

Encourage your child to practise their spellings. There is a list of words inside the front cover of their homework books that they should use. . Maths and English homework must be handed in by Tuesday. . Your child should be reading for at least 20 minutes every night. Discuss their books with them and read aloud to them. It is important for children to hear adults read too. Share an interesting newspaper article (appropriate ones) and ask them to read recipes out to you. Always encourage reading for a real purpose

PE- Athletics and Team games

Music – Exploring rhythm

Art- Stone age cave paintings and woolly mammoth creations.

French- 1 hr per week on Wednesdays.

Topic:

Stone age:

This term we will be looking at the stone age era. Looking at the lifestyle they had. Comparing how life was then to how life is now and looking at primary evidence from that time.
